Select Wood Collection

The Select Collection offers a choice of thirteen stunning finishes for poles, traverse rods, brackets, finials, and rings. This collection provides a variety of beautiful drapery hardware and accessories of superior quality with lustrous finishes and amazing detail at prices that cannot compare.

Iron Image

Iron Image offers the look of traditional wrought iron in 1 3/8” diameter wood poles, traverse rods, and finials. The matte, charcoal finish gives the four finial designs and wood poles the look of forged iron. Authentic iron rings and brackets complete the collection.

The **Iron Image** Collection may be viewed on pages 25 to 28.

Select Traverse Rods

Select Traverse Rods feature heavy duty tracks that are constructed with wheeled carriers and metal masters with the capacity to handle today's drapery treatments made with blackout linings and interlinings.

Select Wood Traverse Rods are available in all Select Wood finishes. 1 3/8" and 2 1/4" Traverse Rods are available with the patented Select SureLock® Traverse Ring System. The SureLock Rings® perfectly match the Select full round rings.

The **Select Traverse Rod** Collection may be viewed on pages 29 to 42.

Iron Image

Iron Image offers the look of traditional wrought iron in 1 3/8" diameter wood poles, traverse rods and finials. The matte, charcoal finish gives the four finial designs and wood poles the look of forged iron. Authentic iron rings and brackets complete this Iron Image Collection.

Select Traverse Rods

Select Traverse Rods

Select Wood Traverse Rods offer the beauty of a decorative wood pole with the functionality of a traverse rod.

Select Traverse Rods are available with 1 3/8" and 2 1/4" diameter wood fascia or with the option of 1 3/4" Flat Fascia.

Select Traverse Rods offer the option of two heavy duty track designs, Premium and Supreme. Both feature heavy duty tracks that are constructed with wheeled carriers and metal masters with the capacity to handle today's drapery treatments made with blackout linings and interlinings.

Select Wood Traverse Rods feature the following:

- All are assembled with heavy duty tracks allowing for a smooth operation.
- Select Premium and Supreme Tracks are available in the Bronze or Aluminum finish to coordinate with the fascia finish choice.
- Drapery weight for Select Premium and Supreme Traverse Rods – 4 lbs. per foot.
- Select Wood Traverse Rods are offered in 13 finish options.

1 3/8" & 2 1/4" Select Premium Traverse Rod Sets

Available with 1 3/8” and 2 1/4” diameter wood fascia in both Smooth and Reeded designs. The wheeled carriers allow a smooth operation for all drapery treatments. Also available with Flat Fascia, reference pages 35 and 36 for details.

- Select Premium track is available without wood fascia for a commercial or more contemporary look.
- Tracks are heavy duty and available in Bronze (17) or Aluminum (90).
- 1 3/8” and 2 1/4” are available with plain 2-wheeled carriers for Pinch Pleat or Ripplefold® draperies.
- 1 3/8” Premium Traverse Rods are available with Smooth Wood SureLock® Rings with 4-wheeled carriers. The SureLock® Traverse Rings simply snap into the 4-wheeled carriers for an easy installation. Ripplefold® is not available with the SureLock® Rings.
- Double Traverse Rod Set Options: available with back rod as “track only” or with 1 3/8” fascia attached. Rings are not available on the back rod.
- 1 3/8” and 2 1/4” Traverse Rod are available in 12 Select Wood Finishes.
- Iron Image, Charcoal Finish 40, is available in smooth 1 3/8” Traverse Rod Sets.

2 1/4" Select Supreme Traverse Rod Sets

Traverse Rod Sets with Patented SureLock® Ring System

The Supreme track is used with the 2 1/4" wood fascia and features the patented SureLock® Decorative Ring System. SureLock® Traverse Rings simply snap into the 4-wheeled carriers for an easy installation. The SureLock® Rings and 4-wheeled carriers ensure the rings maintain a consistent appearance and allow a smooth operation.

Available in 12 Select Wood Finishes in both Smooth and Reeded Fascia.

The two decorative ring options available are the same design as the full round rings:

- Ribbed Wood Rings
- Bradford Resin Rings

Double Traverse Rod Set Options:

- Available with the back rod as "track only" or with 1 3/8" fascia attached.
- Rings are not available on the back track.

Combination Brackets

1 3/8" and 2 1/4" Select Combination Brackets give the flexibility to install 1 3/8" or 2 1/4" full round pole with rings in front of a Traverse Rod.
The brackets offer the versatility of allowing the back rod to be:

- Back Rod Premium Track with 2 1/4" Wood Fascia.
- Back Rod Premium Track with 1 3/8" Wood Fascia.
- Back Rod Premium Track only.

Combination Brackets are available in 4 finishes:

- Black (45)
- Bronze (17)
- Vintage Gold (23)
- White (50)

Combination brackets must be specified when ordering the back traverse rod and are available with a surcharge.

Clips, #93630, are included when ordering with a Select Traverse Rod.

These brackets are designed for the installation of the front and back drapery to be at the same height when used with Select Premium Traverse Rod behind a Select Pole with Select Wood Rings.

Lifetime Limited Warranty

Selective Enterprises, Inc. provides a lifetime limited warranty on all Select Drapery Hardware and Select Traverse Rods. Selective Enterprises, Inc. warrants that these products will be free from defects due to faulty workmanship or materials. This warranty extends to the original residential retail purchaser.

If a Selective Enterprises, Inc. product is found to be defective during the warranty period, we will at our discretion repair or replace the defective product at no charge. Repair or replacement of defective products is the sole remedy under this warranty and in no event shall Selective Enterprises, Inc. be liable for costs to remove, replace, transport or reinstall or incidental or consequential damages.

This warranty does not cover normal wear and tear or any damage or loss by accidents, alterations, improper use, abuse, neglect, or improper installation, cleaning or other maintenance. The warranty shall be void if product is moved from its original installed location. Select products may gradually lose color intensity after long exposure to direct sun. This color loss is not covered by the warranty. All cords eventually wear out. This is considered normal wear and tear not covered by warranty. The warranty does not cover removal, installation, replacement, or shipping costs.
