Product Group Standard Specifications - Swags

*** See Additional Charge Pages for more information**

1) **Fullness**
   a) Swags - See specific Product Pages.
   b) Jabots / Cascades – one width
   c) Tails – ½ width
2) **Cut Allowance**
   a) Standard
      1) Each Product Page gives the MYL approved Cut Yardage.
   b) Variations
      1) Any cut allowance other that the MYL approved cut allowance must be clearly stated on the Order with an explanation of adjustments needed to be made to the product.
3) **Yardage**
   a) Standard
      1) Each Product Page gives the MYL approved Yardage.
   b) Variations
      1) Any Yardage other that the MYL approved Yardage must be clearly stated on the Order with an explanation of any adjustments needed to be made to the # of cuts, the Cut Length or to the product.
   c) **Additional Charges***
      (a) MYL charges for rolling out fabric sent with less yardage without explanation.
      (b) MYL charges for rolling out fabric sent with flaws and requested to see if we can get the cuts out around the flaws.
4) **Lining**
   a) Standard
      1) MYL has a complete selection of Lining Fabric available (see Lining Fabric Program Section).
      2) Regular Lining is recommended for most Swag Styles.
      3) Self and Contrast lining is recommended for Jabots, Informal Swags and Bell Swags.
         (a) Lining will show to the face.
      4) The cost of the Lining is not included in the price of the product.
      5) MYL charges the same yardage as the product requires without repeat.
      6) MYL requests that you **do not** send your own Lining unless it is contrast.
   b) Variations
      1) If you provide your own Lining you must not send full bolts. MYL will only accept Customers Own Lining if lining is provided in the correct yardage amount as each Face Fabric.
         (a) MYL will not stock Customers Own Lining.
         (b) MYL will not accept one Lining for multiple face fabric orders.
   c) **Additional Charges***
      (a) MYL Charges for Customer supplied Lining other than contrast.
5) **Interlining**
   a) Standard
      1) MYL has a complete line of Interlinings available (see Lining Fabric Program Section).
      2) The Swag section provides labor cost on a per Swag, Jabot, or per yard basis that includes the interlining fabric.
   b) Variations
      1) If you provide your own Interlining you must not send full bolts. MYL will only accept Customers Own Interlining if the Interlining is provided in the correct amount as each face fabrics.
         (a) MYL will not stock Customers Own Interlining.
         (b) MYL will not accept one Interlining for multiple face fabric orders.
   c) **Additional Charges***
      1) MYL Charges for Customer supplied Interlining.
      2) If no code is listed for the product to be interlined, MYL will up-charge the labor for the product (Interlining included in up-charge **(Swag Section Only)**
      3) MYL requests that you do not send your own Interlining.
6) **Bottom Hem**
   a) Standard – Swags and Jabots
      1) Lining is sewn even to edge – Pillow Cased
   b) Variations
      1) Lined with regular lining and a self or contrast band of fabric is placed at bottom edge of Swag, Jabot, or Tail.
   c) **Additional Charges***
      1) Fabric Band is charged using trim price found on Product Page. Plus cost of lining – use same yardage as product.
      2) Unlined Swags, Jabots and Tails will be up-charged as a fabric band.

Product Group Standard Specifications - Swags

7) **Top**
   a) Standard
      1) Board Mounted Products –must provide board return/projection. Tack Strip used for mounting.
         (a) Standard Return sizes ¾", 1", 1 ½", 2 ½", 3 ½", 5 ½", 7 ¼", 9 ¼", 11 ¼"
         (b) Pole Mounted Products – Velcro Mount or Fabric Tabs
8) **Sides**
   a) Standard
      1) Sewn even to edge
      2) Topstitched in on itself
9) **Finish Length**
   a) Standard
      1) Swags – 16" to 24" long Product specific
      2) Jabots – Up to 50" / Up to 90" / Up to 120"
      3) Tails – Up to 36" (Over 36" need Estimate.)
   b) Short Point
      1) The difference between the long point and short point may vary. The specification of the short point or the short length at the crossovers necessitates MYL to drop strings. Product Specific
      2) You can only specify a Long or Short Point, not both.
   c) **Additional Charges***
      1) If finish length exceeds Product Standards there will be an **additional charge***
      2) Specification of short point or short length will require an **additional charge***
10) **Mounting**
   a) Standard
      1) Board Mounting is included in price – Board is ¾ inch thick
      2) Pole Mounting is included in price – Pole must be sent to workroom or ordered through MYL Hardware Program. If un-mounted specify pole diameter.
   b) **Additional Charges***
      1) Velcro Mounting Swag and Jabots on boards will result in an **additional charge***
11) **Returns**
   a) Standard
      1) **Be sure to specify all returns.**
         (a) Standard Return sizes are ¾", 1", 1 ½", 2 ½", 3 ½", 5 ½", 7 ¼", 9 ¼", 11 ¼"
   b) **Additional Charges***
      1) Additional charge for Returns that are not standard sizes.
12) **Measuring**
   a) Standard
      1) Face Width must clear any under treatments by a minimum of 4" in Width and 2" on the return.
      2) Overall Width for Swag Board = Face Width + Left Return + Right Return
         (a) **Note : Swags are priced on face width only**
      3) OB = Outside Mount
      4) IB = Inside Mount – MYL will make ½ inch deduction unless otherwise specified.
      5) OFM = Outside Face Measurement
      6) IM = Inside Measure. Measurement from the inside of the left return to the inside of the Right Return.
         (a) Used when you want to clear an existing treatment.
13) **Fabric Charges**
   a) **Additional Charges***
      1) Velvet, Suede, Leather, Upholstery Weight & Plaid fabrics require an up-charge. Check **additional charge*** pages.
14) **Trim**
   a) Be sure to specify the trim placement on your Order.
15) **Band and Ruffle**
   a) Be sure to specify band and ruffle width and placement on your Order.
16) **Upgrades**
   a) Pelmets, trims (fringes, cords w/ lips, and braids), rosettes, knots, or bows.
   b) **Additional Charges***
      1) All upgrades listed will result in an **additional charge***
17) **Installation**
   a) Board to be centered on window
   b) Brackets to be mounted 7/8" below ceiling or top of board.
   c) Brackets to be mounted 4" in on each end and every 40" to 50".
   d) Board lays on top of angles.
   e) Each bracket is screwed to the bottom of board
   Note: Angle brackets are not included in price

Information Page - Jabots / Cascades

Always check "Additional Charges" Section
Specifications – Board mounting included in price – Must specify Return size.

- Jabot face width at workroom discretion unless otherwise specified.
- Jabot short point will equal Swag length – up to 55" Finished Length. Over 55" Finished Length short point will be 1/3 of the Jabot finished length unless otherwise specified.
- This product should be self or contrast lined. Lining is pillow cased and will show at taper. If self or contrast band is desired add trim charge **(L252/L282)** per unit plus cost of lining – use same yardage as product.
- If Jabots are self or contrast lined where shows – **See Additional Charges.**
- If Unlined Swags, Jabots and Tails will be up-charged as a fabric band.
- Interlining must be specified. The cost of MYL interlining fabric and labor is charged per Jabot for regular or flannel interlining fabric (specify choice) – **See Additional Charges for labor –** If you send your own interlining fabric with the order there will be a **20%** up charge for labor plus the cost when customer supplies interlining fabric – **See Additional Charges.**
- Specify if Jabot is to be mounted on top of or under Swag. If not specified, Jabots are mounted on top.
- Side panels can be used in place of Jabots - use proper code. (Add 1 ½ yards per pair)
- Specify if Jabots or Panels are folded, gathered or stack folded.

Cutting Allowances

Jabots	**-** Cut Length = Finished Length + 4
Unlined Jabots	**-** Cut Length = Finished Length + 10
Side Panel	**-** Cut Length = Finished Length + 15

Specifications

- Use face width for pricing – **Must specify Return size** – Board mounting included in price
- Standard Return sizes are ¾", 1", 1 ½", 2 ½", 3 ½", 5 ½", 7 ¼", 9 ¼", 11 ¼" – Not using standard return sizes will result in added cost – **See Additional Charge**s.
- Swags are cut straight unless Railroading is specified – if Railroading add an additional ½ yard per swag (No additional charge).
- There should be an odd number of swags. The number of folds may vary due to finished length and /or fabric restraints.
- Specify swag finished length – Swag finished length up to 24 inches.
- The specification of the short point or the short length at crossovers necessitates us to drop strings – **See Additional Charges**.
- Specify jabot/side panel finished length – See page 1 of Swag section for jabot or side panel specifications.
- Swags are usually lined. Cost of lining is not included – use same yardage as product. If Unlined Swags, Jabots and Tails will be up-charged as a fabric band.
- Swags mounted without jabots and not wrapping returns will be mounted with flaps at each end of board (See page 9 of Swag section if wrapped returns desired).
- Jabots are mounted on top of Swags unless otherwise specified.
- Interlining – the cost of MYL interlining fabric (specify regular lining or flannel) and labor is charged per swag and/or per jabot – **See Additional Charges.** – If you send your own interlining fabric there will be a **20%** up-charge for labor plus the cost when customer supplies interlining fabric - **See Additional Charges**.
- If Inside Mount is requested, the workroom will deduct ½" unless otherwise specified.
- **Must specify "Finish Top to be Seen" if board top will be seen after installation – See Additional Charges.**

Cutting Allowance - Cut Length = 1 ½ Yds. per Swag

L5220 – Bias Cut Overlapping Swags .....$195.00 /Ea

Always check "Additional Charges" Section

Specifications

- Use face width for pricing – **Must specify Return size** – Board mounting included in price.
- Standard Return sizes are ¾", 1", 1 ½", 2 ½", 3 ½", 5 ½", 7 ¼", 9 ¼", 11 ¼" – Not using standard return sizes will result in added cost – **See Additional Charge**s.
- Bias swags will have seams – Maximum width is 40" – To insure no seams keep finished length under 16".
- No additional charge up to 40" width. Over 40" up to 48" will result in a 20% up-charge. We do not recommend bias cut swags over 48" wide.
- Mounted with left swag on top all others under (as shown) unless otherwise specified. The number of folds may vary due to finished length and /or fabric restraints.
- Specify swag finished length – Swag finished length up to 24 inches.
- The specification of the short point or the short length at crossovers necessitates us to drop strings – **See Additional Charges**.
- Specify jabot/side panel finished length – See page 1 of Swag section for jabot or side panel specifications.
- Swags are usually lined. Cost of lining is not included – use same yardage as product. If Unlined Swags, Jabots and Tails will be up-charged as a fabric band.
- Swags mounted without jabots and not wrapping returns will be mounted with flaps at each end of board (See page 9 of Swag section if wrapped returns desired).
- Interlining – the cost of MYL interlining fabric (specify regular lining or flannel) and labor is charged per swag and/or per jabot – **See Additional Charges.** – If you send your own interlining fabric there will be a **20%** up-charge for labor plus the cost when customer supplies interlining fabric - **See Additional Charges**.
- If Inside Mount is requested, the workroom will deduct ½" unless otherwise specified.
- **Must specify "Finish Top to be Seen" if board top will be seen after installation – See Additional Charges.**

Cutting Allowance - Cut Length = 2 ¼ Yds. per Swags

Specifications

- Use face width for pricing – **Must specify Return size** – Board mounting included in price
- Standard Return sizes are ¾", 1", 1 ½", 2 ½", 3 ½", 5 ½", 7 ¼", 9 ¼", 11 ¼" – Not using standard return sizes will result in added cost – **See Additional Charge**s.
- The number of folds may vary due to finished length and /or fabric restraints.
- Specify swag finished length – Swag finished length up to 24 inches.
- The specification of the short point or the short length at crossovers necessitates us to drop strings – **See Additional Charges**.
- Specify jabot/side panel finished length – When using this style swag, jabot / side panels are mounted under swags.
- Swags are usually lined. Cost of lining is not included – use same yardage as product. If Unlined Swags, Jabots and Tails will be up-charged as a fabric band.
- Interlining – the cost of MYL interlining fabric (specify regular lining or flannel) and labor is charged per swag and/or per jabot – **See Additional Charges.** – If you send your own interlining fabric there will be a **20%** up-charge for labor plus the cost when customer supplies interlining fabric - **See Additional Charges**.
- If Inside Mount is requested, the workroom will deduct ½" unless otherwise specified.
- **Must specify "Finish Top to be Seen" if board top will be seen after installation – See Additional Charges.**

Always check "Additional Charges" Section
Specifications – Must Specify Return Size – Pole Jabots will have fabric returns.

- Pole mounting included in price – send pole to workroom with order or order pole through MYL Hardware program **(See MYL Hardware section)** – If unmounted advise pole diameter - Velcro top for mounting.
- Must use proper code for style and finished length – if no code given Jabot style will match Swag style.
- One width of fabric can be no wider than 12 inches on the face.
- Jabot short point will equal Swag length – up to 55". Over 55" Finished Length short point will be 1/3 of Jabot finished length unless otherwise specified.
- This product should be self or contrast lined. Lining is pillow cased and will show at taper. If self or contrast band is desired add trim charge **(L252/L282)** per unit plus cost of lining – use same yardage as product.
- If jabots are self or contrast lined where shows – **See Additional Charges.**
- If Unlined Swags, Jabots and Tails will be up-charged as a fabric band.
- Jabots are mounted off back of pole unless otherwise specified
- Side Panels can be used in place of Jabots – Use proper code and add 1 ½ yards per pair.
- Interlining must be specified. The cost of MYL interlining fabric and labor is charged per Jabot for regular or flannel interlining fabric (specify choice) – **See Additional Charges for labor.** If you send your own interlining fabric with the order there will be a **20%** up charge for labor.

Cutting Allowances:

Jabots	- Cut Length = Finished Length + 5
Jabots Unlined	- Cut Length = Finished Length + 10
Side Panels	- Cut Length = Finished Length + 15

L5416 – Gathered Swag – Double Width..... $268.00 /Ea

Always check "Additional Charges" Section

Specifications

- Use face width for pricing – **Must specify Return size**
- Pole mounting included in price – send pole to workroom with order or order pole through MYL Hardware program **(See MYL Hardware section)** – If unmounted advise pole diameter - Velcro top for mounting.
- Each swag and jabot is individually constructed but after mounting will have the appearance of a continuously wrapped piece of fabric
- Jabots are mounted off back of pole unless otherwise specified
- 4 inch droop is standard – Swags are gathered and have an unconstructed gathered look.
- Swags are cut Railroaded unless straight cut is specified – If Straight cut add **20%** to swag labor charge. Can not be Bias cut.
- Specify swag finished length – Swag finished length up to 24 inches.
- The specification of the short point or the short length at crossovers necessitates us to drop strings – **See Additional Charges**.
- Specify jabot/side panel finished length – See page 13 of Swag section for jabot or side panel specifications.
- Swags are usually lined. Cost of lining is not included – use same yardage as product. If Unlined Swags, Jabots and Tails will be up-charged as a fabric band.
- Interlining – the cost of MYL interlining fabric (specify regular lining or flannel) and labor is charged per swag and/or per jabot – **See Additional Charges.** – If you send your own interlining fabric there will be a **20%** up-charge for labor plus the cost when customer supplies interlining fabric - **See Additional Charges**.

NOTE: Bell/Pelmet is included in the cost and yardage on chart. Cone Bell is shown in picture and is the standard. If Style A or Style B Pelmet is desired, must indicate that information on your Order. If no Pelmet Style is requested on Order, we will use the standard Cone Style as shown in above picture.

Always check "Additional Charges" Section

Specifications

- Use Face Width for pricing – **Specify Return Size** – Returns are flat angled – Board Mounting **(L3213)** included in price – Pole mounting **(L3214)** included in price – Send pole to workroom with order or order pole through MYL Hardware program **(See MYL Hardware section)**. If unmounted, advise pole diameter.
- Standard Return sizes are ¾", 1", 1 ½", 2 ½", 3 ½", 5 ½", 7 ¼", 9 ¼", 11 ¼" – Not using standard return sizes will result in added cost – **See Additional Charge**s.
- One Swag every 24 to 36 inches. The number of folds may vary due to finished length and /or fabric restraints. Folds are under bell, not on top of board – Gathers must be specified.
- Must be lined – Lining is pillow cased and will show at tapers. This product should be self or contrast lined. If self or contrast band is desired add trim charge **(L252)** per unit plus cost of lining – use same yardage as product.
- Finished Length up to 24 inches – May specify Swag finished length or Bell finished length but not both.
- **Interlining must be specified.** The cost of MYL interlining fabric and labor is charged per swag for regular or flannel interlining fabric (specify choice) – **See Additional Charges.** If you send your own interlining fabric there will be a **20%** up-charge for labor plus the cost when customer supplies interlining fabric – **See Additional Charges.**
- If Inside Mount is requested, the workroom will deduct ½" unless otherwise specified.
- **Must specify "Finish Top to be Seen" if board top will be seen after installation – See Additional Charges.**
