Product Group Standard Specifications – Valances

***Note: 3 Foot Minimum on all Board Mounted Valances**

1) **Fullness**
   a) **See specific Product Page**
2) **Cut Allowance**
   a) Standard
      1) Each Product Page gives the MYL approved Cut Yardage.
   b) Variations
      1) Any Cut Allowance other that the MYL approved Cut Allowance must be clearly stated on the Order with an explanation of adjustments needed to be made to the product.
3) **Yardage**
   a) Standard
      1) Each Product Page gives the MYL approved Yardage.
   b) Variations
      1) Any Yardage other that the MYL approved Yardage must be clearly stated on the Order with an explanation of any adjustments needed to be made to the # of cuts, the Cut Length or to the product.
   c) **Additional Charges***
      (a) MYL charges for rolling out fabric sent with less yardage without explanation.
      (b) MYL charges for rolling out fabric sent with flaws and requested to see if we can get the cuts out around the flaws.
4) **Lining**
   a) Standard
      1) MYL has a complete selection of Lining Fabric available (see Lining Fabric Program Section).
      2) Lining option is Product specific.
      3) The cost of the Lining is not included in the price of the product.
      4) MYL charges the same yardage as the product requires without repeat.
      5) MYL requests that you **do not** send your own Lining unless it is contrast.
   b) Variations
      1) If you provide your own Lining you must not send full bolts. MYL will only accept Customers Own Lining if lining is provided in the correct yardage amount as each Face Fabric.
         (a) MYL will not stock Customers Own Lining.
         (b) MYL will not accept one Lining for multiple face fabric orders.
   c) **Additional Charges***
      (a) MYL Charges for Customer supplied Lining other than contrast.
      (b) Unlined scalloped bottom items will have an additional charge as a fabric band.
   d) MYL Recommends
      1) Straight Bottom Valances can be either Lined or Unlined.
      2) Scalloped Bottom Valances need to be self or contrast Lined. Lining will show to the front.
         (a) If order states unlined, we will add a strip of fabric to the back of the scalloped valance which will result in an **additional charge as for fabric band.**
5) **Interlining**
   a) Standard
      1) MYL has a complete selection of Interlinings available (see Lining Fabric Program Section).
      2) Some products have a code for Interlining which covers the additional labor only, not the cost of the Interlining Fabric.
      3) The cost of the Interlining fabric is not included in the price of the product.
      4) MYL charges the same yardage as the product requires without repeat.
      5) MYL requests that you do not send your own Interlining.
   b) Variations
      1) If you provide your own Interlining you must not send full bolts. MYL will only accept Customers Own Interlining if the Interlining is provided in the correct amount as each face fabrics.
         (a) MYL will not stock Customers Own Interlining.
         (b) MYL will not accept one Interlining for multiple face fabric orders.
   c) **Additional Charges***
      1) MYL Charges for Customer supplied Interlining. (**See Additional Charges**)
      2) If no code is listed for that product to be interlined, MYL will up-charge the labor for that product.
         (a) MYL charges the same yardage as the product requires without repeat.
      3) MYL requests that you **do not** send your own Interlining.
6) **Bottom Hem - Product Specific**
   a) Standard
      1) Straight Bottom Valances have 2 inch turn up hem if lined & 2 inch double turned hem when unlined.
      2) Scalloped Bottom Valances have lining to edge. Recommend Self or Contrast Lining.
7) **Top**
   a) Standard
      1) For products with Buckram/Crinoline: Four (4) inch Top is standard.
      2) All Rod Pocket Valances: the Heading and Pocket size must be specified.
      3) Board Mounted Valances: must provide Board Return / Projection.

Product Group Standard Specifications – Valances

b) Variations
   1) For products with Buckram/Crinoline: You may specify 3" or 5" Pleats (Buckram/Crinoline) at no extra charge.
c) **Additional Charges***
   1) Pleat heights of 6" or more require an **additional charge***
   2) Rod Pockets greater than 6" will be an **additional charge*.**
   3) Headings Greater than 4" will be an **additional Charge*.**

8) **Sides**
   a) See specific Product Pages.
9) **Finish Length**
   a) Standard
      1) Any Finished Length up to 24 inches may be specified and still be considered a valance.
         (a) Some product styles have Finished Lengths of 36" to 50" as specified on Product Page.
         (b) Workroom assumes that Header is included in Finished Length calculations.
   b) Short Point
      1) When required, a Short Point must be specified otherwise the standard difference will be used.
      2) Note: For certain products you can only specify either a Long or Short Point not both.
   c) **Additional Charges***
      1) Finished Lengths over standard specifications will require an **additional charge*.**
10) **Mounting**
   a) Standard
      1) Board Mounting is included in price – **3 Foot Minimum**
      2) Board is ¾ inch thick.
   b) **Additional Charges***
      1) If Velcro mount is desired, there will be an **additional charge*.**
11) **Returns**
   a) Standard
      1) **Be sure to specify all Returns.**
         (a) Standard Return sizes are ¾", 1", 1 ½", 2 ½", 3 ½", 5 ½", 7 ¼", 9 ¼", 11 ¼"
   b) **Additional Charges***
      1) Additional charge for returns that are not standard sizes.
12) **Measuring**
   a) Standard
      1) Overall Width for Valance = Face Width (Rod or Board) + Left Return + Right Return.
      2) Face Width must clear any under treatments by a minimum of 4" in Width and 2" on the Return.
      3) OB = Outside Mount.
      4) IB = Inside Mount - MYL will make ½" deduction unless otherwise specified.
      5) OFM = Outside Face Measurement.
      6) IM = Inside Measure – Measurement from the inside of the Left Return to the inside of the Right Return.
         (a) IM is used when you want to clear an existing treatment.
13) **Fabric Charges**
   a) **Additional Charges***
      1) Velvet, Suede, Leather, Upholstery Weight & Plaid fabrics require an up-charge. Check **additional charge** pages.
14) **Trim**
   a) Remember to specify the Trim Placement on your Order.
15) **Band and Ruffle**
   a) Remember to specify Band and Ruffle Width and Placement on your Order.
16) **Design Elements**
   a) If Valances are different lengths, tops of Valances will be the same.
17) **Upgrades**
   a) Contrast Inserts on Box Pleated and Inverted Box Pleat items will be an **additional charge*.**
      1) To figure Face Fabric, find the number of cuts on the chart on the product page and divide by two (2), round answer up to whole number. That is the number of cuts you need for each fabric (the face & the contrast fabric).
18) **Installation**
   a) Board to be centered on window.
   b) Brackets to be mounted 7/8" below ceiling or top of the board.
   c) Brackets to be mounted 4" in on each end and every 40" to 50".
   d) Board lays on top of angles.
   e) Each bracket is screwed to the bottom of board.
   f) **Note:** Angle brackets are not included in price.
